6th October 2017

Please can we ask that you do NOT allow your child to play on the KS2 outdoor climbing equipment at the end of the school day. During playtimes, the children's use of this equipment is supervised by staff and the number of children allowed to use the equipment at one time, is limited and monitored. On a number of occasions this week, a large number of children have been using the equipment after school. This is very dangerous and school cannot be responsible for the safety of children once they have been dismissed from our care. We thank you for your support in this matter to ensure the safety of everyone.

Unfortunately this week, we have had a few children bringing 'Fun Snaps' into school. These can be very dangerous and as it states on the box - are 'not suitable for children under the age of 16 Years'.

Please do not allow your child to use these and they must certainly not bring them into school.

We had a great response last week to our Macmillan Coffee Morning. Thank you all so much for your support to the cause. We raised £200!

Thank you for your continued support,

Mrs R. Crolla.
