

# St Anne's Catholic Primary School Newsletter

Dear Parents/Carers,

13/12/17

We thank you for your patience over the last two days with the unfortunate situations we have been faced with in school. I would like to extend a very big thank you to all the staff at school, parents and governors who have helped during this time, with cleaning, mopping and water vacuuming, moving classroom equipment and ensuring that things moved along as quickly as possible to enable school life to return to normal.

**Breakfast with Santa** has been rescheduled for some children. The children who were taking part in the event yesterday morning and had to leave the building early for safety, were an absolute credit to their families and the school. Even Santa himself was impressed with their maturity!

I have attached some photographs of the damage. It will be an ongoing process to refurbish the KS2 areas. This has already begun and will continue during the Christmas holidays. Therefore we have relocated the Lower Junior children to other areas in the school temporarily. Once the corridors are dry and the dampness has been resolved, the children will return to their classes. Unfortunately the Y4 classroom has been badly damaged and the children in **Miss Bill's** class will be based in the **ICT suite** for the next few weeks.

**Christmas Lunch** has been rescheduled for this coming Monday 18th December. We are thankful that the children's Christmas performances were not affected and hopefully there will be no more unexpected issues and the **Early Years party**, **Panto** and **KS2 'Pop Party'** will go ahead as planned without a hitch!!

The end of term newsletter next week will share some of the term's events with you. As we move through the season of advent, we are discussing with the children ways in which we can bring **hope** and **peace** to others. The children today, have brought home a Peace Candle template. Please support your child to write a message of hope and peace on their template and return it to school. The children will be reading out their messages in assembly and then they will add it to our Advent display. For our younger children's parents please support your child to write or draw a simple message or alternatively please write for them. We look forward to sharing the special messages next week.

Mrs Crolla

Head of School

"Put out into the deep water and let down your net for a catch."
