Summer Term

25/7/18

Dear Parents/Carers,

We have reached the end of another school year! We will greatly miss all of our Y6 children as they begin their new journey to High School. Their Mass and assembly were enjoyed by all, there was not a dry eye in the house! We have celebrated many successes this year as we continue to strive to ensure that our children at St Anne's have the best opportunities to reach their full

potential. I would like to thank you again for your continued support for the school and your children. Our end of year assembly included a quote that we will be thinking about in September when we return:

It is not important for life to meet your great expectations. What is important is that you hold high expectations of yourself and meet them greatly.

Please check your School Spider App and School Website for updates and notifications during the holidays. Thank you.

The children and staff will be sharing their thoughts about how to ensure they give their very best in all they do during the next year.

We are very proud of our 'Pupils of the Year' who were awarded their certificates in our Celebration Assembly. We celebrate their great achievements.

On behalf of myself and the whole school community, I would like to wish you and your families a very happy, safe and restful summer holiday.
