

# St Anne's Catholic Primary School Newsletter

Autumn Term 2

28/10/18

Dear Parents/Carers,

I hope you have all enjoyed the half term holiday, before we know it Christmas will be upon us once more!

I would like to thank all our families for supporting our **Macmillan Coffee Morning** last half term. We raised £ **251.77** for the charity.

## RE. Monitoring Visit

The school had a monitoring visit from the Catholic Education School Team from Liverpool Archdiocese in September, This visit monitors leadership, teaching, learning and standards in

Religious Education and the Catholic life of our school. The visit went very well and we are proud of the continued efforts across the whole school community to strive to offer our children the very best. We will be able to share the report with you very soon.

This half term we look forward to new activities being led by our newly appointed **Friendship and Sports Ambassadors**. Please keep checking the school website for any updates from them on their work. This morning **Miss Westhead** has launched out 'Digital Leaders' initiative in assembly I am sure we will have many children interested in and applying for this very important role.

## Parent Consultations

We look forward to seeing you at our Parent Consultation Sessions this week. This is a valued opportunity for you to see your child's work and speak to their class teacher about their progress, targets and welfare so far this term. **Miss Flaherty** is also available for discussions around Pastoral care— through appointment booking and **Mrs Pointon** is available through drop in sessions, to discuss any questions or concerns you may have regarding Speech, Language and Communication interventions if this is applicable to your child.

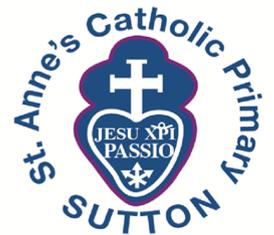

**Kelly Collins from KC Counselling** will also be available in the hall on Tuesday from 3.15 - 5.00pm to give you some information about her service. Kelly has been working very successfully on Growth Mind-set with our Y6 children and she is about to begin work with our Y5 children this half term.

## Behaviour Charter

Last half term, we launched our new Behaviour Charter with staff, children and governors. It sits alongside our Mission Statement and vision for the school that we are and all that we are striving to become. The Charter takes account of pupil voice and defines our expectations and commitment to the children as a whole school community. Teachers will share the Charter with you at the Parent Consultation sessions this week.

**Please refer to the school website and your School Spider Mobile App for dates, news and events coming up in the next term. Thank you!**

Mrs Crolla

*Some important dates for your diary in the next few weeks.*

## Parent Consultations
