

School Council

Dear Parents and Pupils

St Anne's School Council wants to improve break times and lunch times in Key Stage 2.

Lots of children have asked to have quiet zones set up on the playground where they can sit and read or do puzzles together.

If you have any old books or games in a good condition with all of the pieces that we could use in our quiet area, could you please bring them into school on Thursday.

Thank you for your help

St Anne's School Council
