

Art & Design Design Technology

Mrs Pimlott

Art and Design Lead

Design Technology Lead

Thoughts about my subject:

Art and design is at the heart of some of the highest forms of human creativity. We hope to engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.

Creativity is allowing yourself to make mistakes.

Art is knowing which ones to keep.

Art & Design Challenge

Draw a picture without taking your pencil off the page.

This is called a continuous line drawing.

Thomas Heatherwick is one of the UK's most famous designers, whose work includes: the London Olympic cauldron.
