Summary		Knowledge categories	Essential Knowledge 1	Essential Knowledge 2		
100 years ago houses were overcrowded, brothers and sister would have to share bedrooms. A lot of the fathers who lived in Sutton were coal miners. The school leaving age was officially 12, but many pupils left from ten onwards. Most people were very poor and did not have money to buy toys.		Settlements	 -During 1911 the Clarke family lived at 93 Edgeworth Street, Sutton. -Alice Clarke was the daughter of Ralph and Elizabeth Clarke. - Alice had 7 Siblings. -Today we put our clothes in a washing 	 -Windows and chimneys can be used to date houses. -The census is a survey that happens every 10 years and gives us a picture of all the people and households in England and Wales. -Poor families lived in overcrowded houses (The Clarke family) -Children left school at age 12 (Mary Clarke did not attend school at age 14) -Rich families had servants (Joliffe family) 		
	93 Edgeworth Street, Sutton, St Helens.		 machine. In 1911 the mother would make the soap bar, fill up the portable washing tub, use a washboard and a wringer. Today children have lots of toys and electronic devices such as ipads In 1911 most people were very poor and did not have money to buy toys. Children played with toys made by their mother or father. The toys were
