

## Dear parent(s)/carer(s)

As we approach the end of the school year, it is an opportunity to reflect on the journey along our learning river. The children engaged well in all their learning, continuing their journey and hopping over the bridges to revisit their prior learning and knowledge! They all demonstrated our SCORE values, always striving for excellence.

We are looking forward to the children's return next year to continue with our amazing learning.  
As always, thank you for your continued support.

**Mrs Evans**  
**Assistant Headteacher**

Self Esteem      Commitment      Organisation      Resilience      Excellence

## Curriculum Focus

Last half term we worked really hard in our core subjects and are using our knowledge and understanding of English and Maths across all of our other subjects too. Look out for our subject logos so you can see what we are learning at school – you will also see them on the river! Our retrieval and review and do lessons have also formed an essential part of our learning!

## Learning Platforms

Please continue to access our learning platforms and contact us if you have any problems using ClassDojo. Dojo is a great tool for keeping up to date and seeing what is happening at school!

## Advocates and Ambassadors

We will continue to focus on our subject Ambassadors and Advocates. We are exploring different opportunities to raise the aspirations of the children with different advocate opportunities!
