

## Dear parent(s)/carer(s)

We thought this would be a good opportunity to reflect on last half term and look forward to the coming half term. As always, last half term, the children engaged well in all their learning, continuing their journey along our 'Curriculum River' and hopping over the bridges to revisit their prior learning and knowledge! They all demonstrated our SCORE values, always striving for excellence.

We are looking forward to the children's return next week to continue with our amazing learning.

Assistant Headteacher

Self Esteem      Commitment      Organisation      Resilience      Excellence

## Curriculum Focus

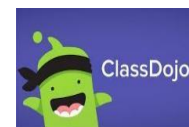

Last half term we worked really hard in our core subjects and are using our knowledge and understanding of English and Maths across all of our other subjects too. Last half term in our afternoon lessons we covered History, Art and Science and have regularly revisited our prior learning in our review and do activities! We are also working on 'Retrieval' of prior knowledge at the start of our learning.

## Remote Learning

Remember to check class Dojo and the website for updates. Our Learning Platforms are always useful too!

## Advocates and Ambassadors

We will continue to focus on our subject Ambassadors and Advocates. We are exploring different opportunities to raise the aspirations of the children with different advocate opportunities!
