

Mrs Evans

Assistant Headteacher  
PSHE/Personal Development Lead

**I feel privileged to be part of St Anne's School Community. I enjoy teaching and love seeing children learn and grow. Teaching has been my only job and I can't imagine ever having a different occupation. I always get to know children and their families and offer help and support whenever I can.**

**Being a leader here at school is important to me too. I love being able to make a difference to our school and keep things moving forward. I have high expectations of myself and want to lead by example. We are a team at St Anne's and I am so grateful to be a part of it! My faith is extremely important to me and together with Jesus we will continue our journey together.**

**The personal development of children is extremely important to me. It is a vital part of being able to grow and develop as a citizen in our school community, local community and in the wider world.**

"GOD GAVE US  
THE GIFT OF  
LIFE; IT IS UP  
TO US TO GIVE  
OURSELVES  
THE GIFT OF  
LIVING WELL."

- VOLTAIRE

"The Only Person You Are Destined To Become  
Is The Person You Decide To Be."

-Ralph Waldo Emerson

**Learn to Love & Love to Learn in read-  
iness for life**
